Shooting Sports

The sporting clays season is over except for the special events. Skeet and trap shooting will continue on Saturdays starting at 10:00 am. Most Saturdays we will try to have some form of lunch available thanks to Vern Putney. Memberships are also available on Saturday mornings.

Range News

Please do your part to keep our ranges clean. Some members have been leaving their targets up and are not cleaning up their empty cartridges after they finish shooting. Please do not leave this task for others to do. Please put your brass in the empty brass containers as the club receives money for recycling the brass. Don't forget to fill out the range shooting logs in the house on the Archery range. Please remember that the ranges close and ALL shooting is to cease at SUNDOWN!

Club Website

One of the goals for 2015 is to update the website and to have current information available. So don't forget to check out our website for current events and updates between newsletters. The website is: www.bvillerodandgun.com.
